

Half Moon Bay High School Boosters Athletics Corporation (BAC)

The Half Moon Bay Boosters Athletics Corp (BAC) is a nonprofit organization dedicated to supporting athletics at Half Moon Bay High School through volunteerism, community involvement and fundraising efforts. All BAC proceeds go directly to funding sports programs, equipment and uniform purchases and facility improvements for the continuing development of competitive teams, academically successful student athletes and the promotion of school and community spirit.

Through donation drives, snack bar, merchandise, gate fees, Black & Orange Ball, Pumpkin Festival, Casino Night, Golf Classic and team fundraising efforts, Cougar Boosters has been able to contribute more than \$450,000 annually to all of the High School's athletic teams. BAC also funds 50% of the Athletic Trainer program, contributing to the health and safety of approximately 450 athletes in 24 sports during conditioning, practices and games. The school district generously funds the other 50% for a full-time Athletic Trainer.

Why Should I Contribute?

- **It helps the school and students.** A healthy athletic program contributes greatly to a positive high school atmosphere. Your donation helps support every sports team at HMBHS.
- **It helps you.** You receive free admission to home games, and a potential tax deduction.
