March 17, 2020

Dear Students/Parents/Guardians:

Half Moon Bay High School educators are doing their best to continue to provide a quality education for our students and support the Coastside community. Teachers will be making extensive use of [Schoolloop](#) for posting assignments and communicating with you. Parents/guardians who do not have an account can create one using your student's ID number. Work may be assigned on a daily, block, and/or weekly basis depending on the length and scope of the assignments. For example, math teachers may assign daily problems while an English teacher may assign a research essay with multiple steps over the course of a week or more. Please check Schoolloop a few times every day to keep up with assignments, due dates, and learn how teachers would like students to submit work. Many teachers will also be using Google Classroom as well as other web-based applications for the instructional purposes. Contact our administrators should students need textbooks or novels. Because of the mandated *Shelter in Place*, teachers and staff have been directed to not be on site and to work remotely. With the *Shelter in Place*, Half Moon Bay High School will have very limited hours we will be open. **Tuesdays and Thursdays 10:00 a.m. to 2:00 p.m. the H.S. will be open** to pick up work or if printing is needed to be done.

Thank you for your patience during this period of uncertainty. Please contact teacher[s] through Schoolloop email or call our administrators at 650-712-7200 (ex. 5030; 5040; 5050) if there are issues with accessing course assignments or for any other matter.

Sincerely,

John Nazar
Principal - Half Moon Bay High School
